

UCSD Implementing Procedures (SEO-1)

Introduction

The primary responsibility for all UCSD casual-restricted employees has been delegated by the Assistant Vice Chancellor-Human Resources to the Career Center's Student Employment Office (SEO) within the division of Advancement.

Employees in casual-restricted appointments are covered by all or portions of the University of California Personnel Policies for Staff Members (UCPPSM), including selected UC Selected Presidential Policies, and the University of California, San Diego (UCSD) Implementing Procedures for the UC Personnel Policies for Staff Members.
