Fundraising
To offer the curriculum enrichment activities that our children so enjoy, we raise funds throughout the year. Please know that we try to make these activities as unobtrusive as possible (after all, we’re parents too). Your support for these activities is critical to their success.

Our Role

The Parents Advisory Board is part of the ECEC Charter. We support our children’s education here by working with the teachers, offering our support, creating community building activities, and funding curriculum enrichment opportunities. We meet monthly to plan our upcoming events and field ideas for other possibilities. We would love to have your participation in the monthly meetings and/or volunteer for events at the school. Join us!
