

# 2021 Open Enrollment Events

Open enrollment is your annual opportunity to review benefits offerings at UC San Diego and evaluate which plans will be appropriate for you and your family. This includes all medical, dental, vision, legal, life, and pet insurance plans. Due to COVID-19, all presentations will be offered online.

UC's systemwide Benefits Fair will be available online at [ucal.uc/benefitsfair](http://ucal.uc/benefitsfair) on October 27<sup>th</sup> and may be accessed 24/7 until Open Enrollment closes on November 24, 2020 at 5:00pm PST. This will be your opportunity to explore virtual booths with resources, videos and representatives available to answer your questions. UC's Open Enrollment website opens on October 26<sup>th</sup>. After you attend the UC systemwide Benefits Fair, if you still have questions, there will be an opportunity for you to attend local sessions offered by your Health Care Facilitator Program. Please see the list of local sessions below.
