What are Open Enrollment Office Hours?

This is a resource intended to support Faculty and Staff of UC San Diego Campus and Health Sciences through the evaluation of UC-sponsored health and welfare plans during Open Enrollment. This year, Open Enrollment presentations will be facilitated by the UCPATH Center. Click [here](#) to register for a webinar. If you have additional questions about your health plan after attending an Open Enrollment presentation, log into one of the virtual Office Hours sessions to have your questions answered.

This is not a presentation. This is your opportunity to ask the UCSD Benefits teams questions in an open Zoom forum.
