Investigator and/or delegate will receive an email notification with the project information requiring a COI disclosure. Select the link from the email notification or log in to the Kuali COI at https://ucsd.kuali.co/coi using your Active Directory login and Duo Two-Factor Authentication.

1. Log in to the Kuali COI at https://ucsd.kuali.co/coi using Active Directory.

2. Select “Create Disclosure”.

3. If the investigator has non-federal projects, the 700U page, shown on the left menu bar, will display first with the project requiring a COI disclosure highlighted in red box. Select the down arrow to open the 700U form.
4. Answer all questions on the 700U form.

5. Once completed, select “Next” to proceed to the next step. If any of the required fields are blank, an error message will appear and those required fields will be highlighted in red box.

6. If needed, select FORM PREVIEW or DOWNLOAD UNSIGNED FORM to review the 700U before signing. Investigator is required to verify and submit by entering his/her name in the signature box. This step must be completed by the investigator. The delegate can’t verify and submit. Click on VERIFY & SUBMIT.

7. The certification language will display. Click on VERIFY & SUBMIT.

8. After verify and submitting the 700U form, if the investigator has federal projects, the federal gating question page will appear. If the investigator does not have any non-federal projects, the federal gating question page will display first.
9. If the answer to the gating question is Yes, the investigator will be directed to enter their financial interests. Select Add Info to add a new entity. For more than one entity, select Add Line.

10. Complete all the questions with applicable answers. Select DONE.

11. The Federal Certification page will display. Select Submit.
