Areas of a DARS 2.0 Degree Audit

PDF Link

The PDF link contains an example of a truncated DARS 2.0 degree audit. The file highlights the different areas of the degree audit and can be used to help navigate the new format. Towards the top of the degree audit is the *student's degree program information* followed by information tabs. These tabs include Audit Results, Course History, and Markers.

1.) Use the link **Find a Student** to enter the student ID for the student you wish to see.

2.) Student Information

Student Information details.

3.) Click **Request Audit** button to be rerouted to run another audit for the same student or click on the **Audit** drop down menu, then select **Request New**.

4.) Information Tabs

Provides option to view **Audit Results** or **Course History** tabs.

5.) Click on **You Are Here**. Use return to a previous view of the audit.

6.) Interactive Smart Charts

7.) Pie Chart showing an estimate of Units Completed, In Progress Units, and Unfulfilled Units

8.) Cumulative **GPA**

9.) **Categories by Units** degree requirements. Clicking on a bar graph here, modifies what is displayed in **Degree Audit Information**. For example, clicking on the **Major** bar graph will display only the major GPA and the major sub-requirements in **Degree Program Information**.

10.) **GPA** for each requirement **Categories**

11.) Legend for smart charts

NOTE: Hovering over any of the **Interactive Smart Charts** will provide additional information such as the number of courses, their status, and GPA values.

12.) Degree Audit Information

13.) The hyperlink **Open All Sections** will open all sections, to show all requirements.

14.) Clicking ">" next to a section, opens only that section.

15.) Clicking "v" next to a section, closes only that section.

16.) The **Printer Friendly** button appears on HTML audits to open a new window, where all sections appear open, for easy printing.

NOTE: Degree audits can be saved locally to your desktop, as a PDF, and uploaded into the VAC, or printed directly.

17.) Legend Section

Legend for symbols used on audit.

Purple Planned code will be used for future student planning.
