Summary of Research: _____

1. Will your laboratory be using biohazardous materials? (bacteria, viruses, recombinant DNA, infectious agents, human or primate materials)

YES

NO

List materials:

2. Will your laboratory be using radioactive materials / machines?

YES

NO

List radioisotopes or machine type:

3. Will your laboratory be using compressed gases?

YES

NO

List gases:

4. Will your laboratory be using acutely toxic substances, carcinogens, or reproductive toxins or nano materials (beyond standard chemical hazards)?

YES

NO

List materials:

5. Will your lab be using Class 3B or Class 4 lasers in your research?

YES

NO

6. Will your laboratory be using controlled substances? (i.e. Ketamine, Pentobarbital, Buprenorphine)

YES

NO

7. Will your laboratory be using Select Agents (i.e. Conotoxins, Ricin, Tetrodotoxin, *Coxiella burnetii*)?

YES

NO

List materials:

Please send the completed form to EH&S by e-mail: ehsrap@ucsd.edu, fax: (858) 822-7763, or Mail Code: 0089. If you have any questions, please call (858) 534-7651.
