

Giving From Abroad

For donors in Canada, Hong Kong, the United Kingdom and other European Countries:

Canada

All gifts are tax-deductible as prescribed by Canadian law as UC San Diego is a recognized prescribed institution under Canadian Income Tax Regulations. As Revenue Canada regulations can differ from the US Internal Revenue Service regulations, you will receive two gift receipts when you make a gift to UC San Diego, each reflecting required information to comply with the respective agency's regulations.

Hong Kong

The University Of California Foundation Limited was incorporated on November 23, 2006 as an approved Charitable Organization under Hong Kong Inland Revenue Ordinance, Section 88. The UC Foundation Limited has entered into a Professional Services Agreement with Global Philanthropic International to manage all matters related to HK gifts to the Foundation. This is primarily providing receipts for gifts, notifying UC when these gifts are made, and ensuring that checks are deposited appropriately. The University of California Foundation Limited will collect your contributions and forward them to UC San Diego.

Gift letters should be jointly directed to the University of California Foundation Limited and either the UC San Diego Foundation or the University of California, San Diego. In addition to a gift letter, a form (attached) with gift remittance instructions will need to be filled out and transmitted to Global Philanthropic International. **However, please contact Kathy Terry at keterry@ucsd.edu for further instructions before doing so.**

United Kingdom

British and U.S. taxpayers may make donations in pounds sterling to UC San Diego via the **University of California Trust** (UK) in London - registered British Charity No. 1075405. Additionally, the University of California Trust (UK) can collect **Gift Aid** on your behalf and forward it to UC San Diego.

Donors who have tax liabilities in the UK and the US can give to UC San Diego via the **CAF American Donor Fund** for dual US/UK taxpayers. Trading as Southampton Row Trust Ltd., the CAF American Donor Fund allows US citizens living in the United Kingdom to receive tax benefits in both countries for their international contributions. For more information on donations from the UK, contact Matthew Daines, Programme Director, UK Trust, at matthewdaines@californiahouse.org.uk or +44 (0)20 7079 0567.

Other European Countries

If you are a European taxpayer you may give to UC San Diego via **Transnational Giving Europe** (TGE), which currently covers 16 countries. Donors may make a gift to the **national TGE partner** which will transfer the gift to **Charities Aid Foundation** (CAF) in London and provide all the national fiscal advantages to the donor. CAF will then forward your gift to UC San Diego with the assistance of the University of California Trust (UK).
