Agenda:

- **Update from Mark/Jen**
  - Solar Chill – The ground breaking for the student’s designed solar charging station was March 10.

- **Events**:
  - Pure Water Tour Friday, March 11, 2016. Mark and Jen are going.
  - During Earth Month – Sasha and Chris may be doing a worm composting workshop at the SRC. SSN members will be invited.
  - Jen and Chris are working on organizing a tour of student gardens on campus. A new garden at Mesa apartments has just been created. SSN members will be invited once details have been formalized.
  - In future – invite Dr. Bronners

- **SSN Dues**
  - Dues begin in July and are for the fiscal year, if people become members during the year their dues are prorated based on the month they start. Currently, dues are $12.00/$1.00 per month.

- **SSN Webpage**
  - Add “Support SSN” button on the SSN page
    - Ask Ariel to update the SSN page to include a support us button that goes to the online credit card from to donate to SSN.
  - Ask Ariel to give EB members training on how to update the webpage

- **Apparel**
  - Ali brought samples of shirts from a local husband and wife team “Think Positive” who can screen print the SSN logo on shirts and tote bags.
  - Approximate cost is $600.00 to create the design and for the three colors we need. This is a one-time cost that has already been reduced for our group. The cost of shirts will be $17.50 each, we need to order 24 pieces at a time.
  - The EB members liked the sample designs of the shirts, they are unique and will be made from organic cotton and/or recycled plastic bottles. We will need to consider ways of getting up front costs covered.
  - Investigate other local companies, to see if costs are similar.
  - Could we sell in the bookstore? Chelsea will contact someone in the bookstore to ask.
  - We could sell the shirts at our meeting

- **Future Elections**
  - Do we want to amend our bylaws to say that anyone from the membership can run for the board?
