WARREN COLLEGE STUDENT-FACULTY ENGAGEMENT PROGRAMS: HIGH TABLE DINNERS & COFFEE W/A PROF

What faculty are saying:

“As I sat down at High Table, the young man seated next to me said ‘I read your bio and came tonight to meet with you.’ That evening resulted in the opportunity to mentor an outstanding young Bioengineering student who over the next four years excelled in the classroom and in engineering a world health project. Thanks to High Table.”
-John Watson, Professor of Bioengineering

“It has been a wonderful experience to take part in the High Table Dinners. It has provided me with the opportunity to reconnect with students outside the realm of the classroom on a more personal basis, where I can hear their dreams and experience and share with them mine. This has made me aware of the gap between my ‘former’ youth and their youth, and has helped me to be a better teacher.”
-Kimloan Hill, Lecturer of Vietnamese Heritage Language

What students are saying:

“Coffee with a Prof was very helpful, and it provided an entirely different atmosphere for communication with the professor.”

"This was a great way to meet with my Professor outside of office hours! I'm grateful he was able to take time out of his busy schedule to meet with me. I definitely recommend Coffee-with-a-Prof to any student who wants to talk to his/her professor outside of the traditional, academic setting!"

Preparing for a healthier campus environment...
70 Students, Faculty and Staff picked up 36,392 cigarette butts in one hour!

Kicking Butts Off Campus
UC San Diego

DID YOU KNOW?
Cigarette butts are TOXIC and they are EVERYWHERE!
Cigarette butts are consistently the number one item picked up from clean-ups and the cost to clean them up comes directly from college tuition and fee costs! These butts are an environmental burden, disgusting, and most importantly damaging to the health of people and animal life.

IT IS TIME WE STAND UP TO TOBACCO LITTER AND KICK THE BUTTS!

WHAT CAN YOU DO?
Join us for our first Kicking Butts Off Campus Clean-Up Event. We need at least 50 UC San Diego student volunteers to take part in helping us make our campus beautiful for just one hour of clean-up!
