

T-Mobile Global Features

In order to add global features, please submit a servicedesk.ucsd.edu ticket. You can login using your Active Directory account, select **Request Services** – Under “Mobile Phones (Cell Phones)”, select International Feature Activation/Cancellation.

Please note that carriers often change their features and pricing frequently and the information listed is to provide a general idea and may not be up to date. Cruises/ships have their own cellular towers and cellular rates. For other global features and inquiries, please email mymobilebill@ucsd.edu.
