ALINE CARD BASICS

1. IS MY ALINE CARD READY TO USE WHEN I RECEIVE IT?

No. For your protection, you will need to go to mycard.adp.com or call 1.877.237.4321 to activate your ALINE Card. You will need to choose a PIN (personal identification number) when you activate your Card. By activating the ALINE Card, you are agreeing to the terms and conditions in the Cardholder Agreement.

2. WHEN WILL I SEE MY PAY LOADED ONTO MY NEW ALINE CARD?

Allow up to three weeks after card activation for your pay to begin to be loaded onto your new ALINE Card. To validate that your pay has been added to your new Card, visit the cardholder website at mycard.adp.com and log into your account or call 1.877.237.4321.

3. DO I NEED TO CONTACT MY EMPLOYER ABOUT MY NEW ALINE CARD?

If your employer enrolled you for the ALINE Card, you do not need to contact your employer. In this instance, you only need to activate your new ALINE Card in order to start receiving your wages on it.

If you enrolled yourself for an ALINE Card through the ADP® Mobile Solutions App, you need to provide your employer with your routing and account numbers once you've activated your ALINE Card. Your employer needs this information in order to direct your wages onto your ALINE Card. You can access your routing and account numbers on the mobile app or on mycard.adp.com.

4. CAN I REQUEST ANOTHER ALINE CARD FOR A SPOUSE OR TRUSTED FAMILY MEMBER?

Yes. Access the cardholder website at mycard.adp.com or call Cardholder Services at 1.877.237.4321 to obtain information regarding adding a secondary card enrollment. You must have passed a validation process to be approved for this feature, and the secondary cardholder must pass a validation process. If the secondary cardholder passes the validation process, you and the secondary cardholder share the same pool of funds. Each person has full and immediate access to the joint balance on the ALINE Card.

5. IS THE ALINE CARD A CREDIT CARD?

No. The ALINE Card is a Visa or MasterCard prepaid debit card—not a credit card. It will not build credit history. Each pay period, your employer automatically loads your pay onto the ALINE Card. Each time you use the ALINE Card, the purchase amount is deducted from the amount of money available on the ALINE Card.

6. DOES MY ALINE CARD EARN INTEREST?

No. Interest is not earned on or applied to the ALINE Card balance.

7. WHAT SHOULD I DO IF MY ALINE CARD IS LOST, STOLEN OR DAMAGED?

You should report the lost, stolen or damaged ALINE Card to Cardholder Services immediately so the ALINE Card can be deactivated. Cardholder Services can be reached at 1.877.237.4321. We will cancel your ALINE Card and transfer the funds to a new ALINE Card that will be sent to you. You may receive one lost/ stolen replacement ALINE Card for no charge (\$0) per calendar year sent regular U.S. mail for no charge (\$0). After the one replacement card at no charge (\$0) and/or for expedited delivery, a fee may apply, so please see your Cardholder Fee Schedule.

If you would like to access your funds prior to receiving your replacement card, please ask the representative to authenticate an ALINE Check by ADP® which must be made payable to yourself for the full available balance. The ALINE Check can be found in your original ALINE Card welcome kit. Once the ALINE Check is authenticated, the representative will provide you with the exact available balance and your 6-digit authentication number, which you must record on the check. Funds for that check will immediately be deducted from your ALINE Card balance to allow payment when presented (you CANNOT change the check amount or the check will be returned). If you do not have any available balance on your ALINE Card, your request to authenticate the check will be declined.

Please note: because you have an activated ALINE Card, you can ONLY use the ALINE Check if your ALINE Card has been reported

lost or stolen and you need access to your funds prior to receiving your replacement card.

No fees will be charged for replacing a lost or stolen ALINE Check or placing a stop payment of an authenticated ALINE Check after authentication. To cancel or place a stop payment on an ALINE Check after it has been authenticated, please call customer service at 1.877.237.4321. 23. CAN I USE MY ALINE CARD TO PAY FOR AUTOMATIC MONTHLY PAYMENTS (E.G., GYM MEMBERSHIPS, CABLE TV, CELL PHONE BILL, ETC.)?

Yes. You will be able to use the services of our bill pay provider, Evolve Money®. You can access Evolve Money by logging into www.mycard.adp.com and clicking on links to Evolve Money's website found on the "Bill Pay" section of our website. Evolve Money will allow you to:

You will also be able to use your ALINE Card to make direct payments to your billers/retailers within their stores or on their websites using your ALINE Card number. Contact your billers/retailers for their direct bill payment options.

24. WHERE CAN I USE MY ALINE CARD?

You can use your ALINE Card at any merchant that welcomes Visa or MasterCard prepaid debit cards. Just give your ALINE Card to a cashier, waiter or attendant and then sign or use your PIN for your purchase. If you want to get cash back, use your PIN to make a PIN-based purchase at stores that offer this service, like grocery and convenience stores. You can also use the ALINE Card to make purchases online, over the telephone and by mail order wherever Visa or MasterCard branded prepaid cards are accepted.

25. CAN I SPEND MORE MONEY THAN I HAVE ON THE ALINE CARD?

No. You are not allowed to exceed your available balance, and there is no line of credit or overdraft protection feature associated with your ALINE Card. It is possible, due to unusual circumstances, that merchants will accept your ALINE Card even though you didn't have enough funds, for example, a transaction that settles for an amount greater than the amount authorized. You are still responsible for any negative balance amount. Please refer to the Cardholder Agreement you received with your ALINE Card or you may view the Cardholder Agreement at mycard.adp.com or request a copy by calling 1.877.237.4321.

26. ARE THERE ANY OVERDRAFT PENALTY FEES?

You are not allowed to exceed your available balance so there are no overdraft penalty fees. You are, however, responsible for any negative balance that may occur as the result of an authorized transaction that settles for an amount greater than the amount authorized, causing a negative card balance. Please refer to the Cardholder Agreement document you received with your ALINE Card.

27. CAN I USE THE ALINE CARD TO RENT A CAR?

Your prepaid ALINE Card may be used to rent a car, but rental car companies "authorize" (have money held) for more than the actual cost of the rental car. The reason is the rental car company won't know if they need to charge you for additional expenses like gas, car damage and extra days until you return the vehicle. These authorized funds will be held and unavailable for you to spend until the final transaction settles and is posted to your ALINE Card. This means you might not have access to these funds for several days. To avoid problems, call the rental car company ahead of time and ask them what their policy is regarding the use of prepaid debit cards.

28. IS THERE ANY TYPE OF TRANSACTION I AM NOT ABLE TO PERFORM WITH MY ALINE CARD?

You cannot use the ALINE Card for unlawful Internet gambling or any illegal transaction.

29. CAN I BUY GAS WITH MY ALINE CARD?

Yes, but when you use your ALINE Card at a gas station, be sure to pre-pay the cashier inside before you fill up and tell the cashier the exact amount of gas you wish to purchase with your ALINE Card. Do not swipe your ALINE Card at the pump or you may incur a hold amount that exceeds your gas purchase amount. As a best practice, we recommend that you always pay the cashier first for the amount of gas you wish to purchase.
